The Phyllis and Charles Self Learning Commons to break ground 2017
More than bricks and mortar – designed for inspiration, learning, persistence and success
Post Date: 09/21/2016 1:37 p.m.

Project overview

- A welcoming learner-centered facility that incorporates library, instructional technology, collaboration and study spaces, and learning centers that support students in math and English success
- Total project cost $35.7 million
- 65,328 gross square feet
- Construction begins summer 2017; expected completion summer 2019
- The Learning Commons will be WCC’s first state-funded capital project since 2004, during which time student enrollment has grown 16 percent

Services within WCC’s Learning Commons will engage students through tutoring, multi-media resources, quiet and collaborative (loud!) study spaces, and tools to conduct their own thoughtful research. These activities encourage critical thinking and creativity - crucial skills as students prepare for a successful career. Active engagement with academic resources in a space filled with natural light and designed for productive interactions will inspire students to learn, persist, and succeed.
First floor

The first floor will include a multi-media center for students and faculty, the writing center, computer services, study spaces, and food service.

The WCC writing center provides nearly 3,000 tutoring sessions per year, helping students grasp the art of composition, refine papers, and organize presentations. The writing center is adjacent to media services to allow students to integrate technology to communicate ideas through print, video, and audio systems.

Second floor

The second floor will be home to a 21st century library to serve WCC’s growing student population, baccalaureate programs, and excellence in teaching and learning.

With over 16,000 square feet, the library will serve over 200,000 patrons per year - averaging more than 1,000 people per day during the academic year. The larger space expands collaborative and quiet study rooms, adds additional space for library reserved materials and reading rooms, as well as bibliographic classrooms. The library will also host space for the Bellingham Public Library, improving service to residents in northern Bellingham.

Third floor

The third floor will be home to tutoring services for students, testing, and collaboration spaces with one of the best views on campus. Tutoring center services offered will expand by 300 percent with the new Learning Commons.

During the academic year, 75 percent of the more than 13,000 free tutoring sessions happen at the WCC math center. The math center often reaches standing room only with current space. The Learning
Commons will allow for additional sessions and customized services for students who have specific needs.

Veterans: The Learning Commons will provide more space for general tutoring as well as quiet private locations that are better suited to meet the needs of veteran students. A pilot program that served veterans in a quiet location improved their average GPA from 2.35 in summer 2014 to 2.81 in winter 2015. Small breakout sessions in the Learning Commons will provide the perfect space to grow this program to help WCC veterans students achieve academic excellence in an environment that works best for them.

STEM tutoring: 10 percent of math center patrons are there to master chemistry, biology, physics, and computer science. The Learning Commons was designed with tutoring space and resources committed to serving science, engineering, and computer science/computer information systems students.

Serving disabilities: Breakout spaces will provide opportunities to serve students with disabilities in a quiet, less distracting environment. The Learning Commons will provide the space to serve their individual needs.

Minutes of Actions and Decisions of the Library Board of Trustees of the Bellingham Public Library as authorized by RCW 27.12.210 and SEC. 7.02 Charter of the City of Bellingham.

Board Members Present: J. Gordon, Rachel Myers, Tom Barrett and Rick Osen

Board Members Absent: Marilyn Mastor

Library Staff: Pamela Kiesner, Lola Estelle, Bethany Hoglund, Janice Keller, Jennifer Vander Ploeg and Wendy Jenkins

Others Present: April Barker, City Council Liaison; Faye Hill, Friends of Bellingham Public Library

Call to order and introductions: Regular session was called to order at 3:31 p.m. by Chair, J. Gordon.

Approve/modify agenda: Rick Osen moved to approve the agenda. Rachel Myers seconded. Motion carried.

Public comment: No comments.

Consent agenda: Tom, referring to the note concerning the estimated circulation statistics in the Performance & Activity Measures due to a software glitch, asked that circulation statistics for the entire year be recalculated. J. asked that the minutes be adjusted to clarify the Mayor did not ask the Library Board to not discuss a new Central Library building, but to not develop an agenda at this time considering that the annexation issue is to be explored and the Capital Facilities plan is still in draft form. Tom Barrett moved to approve the August 16, 2016 minutes and the August 2016 performance and activity measures and financial reports as amended. Rachel Myers seconded. Motion carried.

Board member reports: No reports.

City Council liaison report: April thanked Janice for the Community Outreach interactive map; she forwarded it to the Cordata Neighborhood Association who she is meeting with this week. April mentioned that Council is working through the Comprehensive Plan, adding improvements that will help focus attention where it needs to be.
**Friends of BPL report:** Chris Johnson reported the Friends earned $10,064 at their last book sale. The Friends have decided to hold three rather than four sales in 2017, tentatively planned for January, May and September.

**Library Director’s report:** Pam chaired the Library Council of Washington meeting that was held on September 12 in Longview. The Longview Library Friend’s organization had just completed one of their sales, earning $3,200. The new State Librarian, Cindy Aden, attended. Pam reported Cindy was dynamic with a solid vision for the State Library.

Pam reported on donations received in August, including close to $11,000 from the Friends for the website refresh project and Summer Reading activities.

This year’s Whatcom Literacy Council breakfast will be held on Thursday, November 3 – Pam invited April and the trustees to attend; let Pam know if you’re interested.

**Donation disbursement:** The Library received a bequest of $3,283 from a long-time patron and Friends volunteer. Rachel Myers recused herself from discussion of disbursement of the donation. Tom made a motion that the bequest be deposited in the gift fund to be spent on materials. Rick Osen seconded. Motion carried.

**Trustee education:**
- **Washington State Library Trustee Training:** Rick Osen attended the morning and lunch session of this training, titled *Library Trustees, Boards, and Directors: Working Effectively Together*, this morning in Everett. Video coverage of the workshop will be available online in the future. Rick reported the State Library will have funds available for board training by request beginning October 1. Rick’s primary goal in attending was to see the consultant, Ruth Metz, in action, to determine if she might be a candidate for our future funding strategy/feasibility study. He reported that she was a good facilitator. She included materials from United for Libraries – an arm of the ALA geared towards friends and trustees. She also recommended online resources – the WSL trustee wiki and some short videos on a variety of topics that the board could use for training. The afternoon session, that Rick wasn’t able to attend, was on board self-evaluation – something the board can explore, perhaps with a joint session with WCLS.
- **Jennifer Vander Ploeg presented a 10 year statistical review; highlights included:**
  - There has been a tremendous increase in the number of programs and attendees.
  - The number of borrowers that remain active from year-to-year is on the rise.
  - Print material holds are decreasing over time; alternate formats (e-materials, audio and video) holdings have increased substantially in response to patron demand.
  - 2015 materials expenditures ($420,223) are still well below pre-recession levels ($540,804 in 2008).
  - Our materials collection is aging – 43% of non-fiction material is 11 years or older; 31% is 0-5 years old.
  - Circulation is down slightly since 2013, yet the number of visitors remains relatively level; patrons are utilizing more “convenience” services – online as well as Connection pick-up and return services.
With the increased use of Connection services there is increased staff cost to deliver and pick-up at more locations and handle volume increases.

The volume of requests for Interlibrary Loans (ILL) - both borrowing and loaning - has more than doubled over the past 10 years.

Staff handled about 1200 more items per day in 2015 than in 2006 (checking in, pulling holds, etc.).

We continue to recover our staffing levels from the recession; we were at a high of 47.4 FTEs in 2009, reached a low of 42.7 FTEs in 2010, and are currently at 46.3 FTEs.

**Fall program update:** Janice demonstrated the interactive qualities of the online Community Outreach map – she is hoping to soon be able to include more data and numbers.

Janice distributed:
- BPL Snapshots August & September 2016 including photographs from the Friends book sale, the Summer Reading Ceremony and the WWU Red Square Information Fair.
- A draft October calendar of events for adult and SkillShare programs.
- A flyer for *Story Time in the Northwest: Celebration of Vicky Marshall's love of stories*, featuring the unveiling of the commissioned Ben Mann painting. This event will be held on Saturday, October 22, from 10:00 a.m. to 12:00 p.m. in the Lecture Room.

Bethany announced an upcoming parent education class, *Screen Scene: Best Practices for Using Screen Media with Young Children*, to be held September 29, from 6:00-9:00 p.m. in the Lecture Room.

**2017-2018 budget update:**
- In the packet are two budget documents that Rick and Pam shared with the Mayor and city staff at a budget meeting August 26. The first, *2017-2018 Library Work Plan: maintaining current level of service*, includes (in purple ink) Pam’s answers to the Mayor’s questions raised at the meeting. The second document addresses future priority initiatives.
- The budget schedule is as follows:
  - Oct 5: COB budget emailed to Council
  - Oct 10: Council budget work session that includes the Library. Pam will be presenting the work plan and how our budget requests reflect the work plan. Rick offered to attend this work session with Pam.
  - Nov 28: Special meeting for further discussion
  - Dec 5 & 12: Approval, with final on December 12
- Tom suggested asking the Bellingham Herald to fund the purchase of a microfilm machine as it is primarily used by patrons to access the Herald.

**BPL/WCLS Interlocal Agreement:** J. and Pam are meeting with Christine Perkins and Marvin Waschke, WCLS board chair, on September 26 to talk over the 2017 study and the interlocal agreement issue. Christine and Pam have each prepared a report. There is a disagreement concerning the data. The original interlocal formula is 30 years old and with the 2017 sustainable fund study we want to have accurate data analysis.
Committee reports:
- Outreach Committee: nothing to report.
- Facilities Committee: nothing to report.

Library Board retreat update: Pam distributed a draft agenda for the October 14 Board of Trustees retreat. J. and Rachel will open the retreat, setting the stage with big questions – What does the library of the future look like? How can it be funded? J. suggested providing a packet of background information to Marcellus and Andrew prior to the retreat. Marcellus and Andrew will each have about 25 minutes to share the insights they have gained through their sustainable funding processes, followed by a question and answer period. There will then be time for the trustees to lead small groups to process and report on the presented information. Email invitations will be sent out this Friday. The retreat will be open to the public.

Trustee recruitment update: Pam has received three applications so far. There isn’t a rush, but it would be good to have someone on board by year end. Once applications are in, two trustees will screen the applications; two other trustees will conduct interviews.

New Business: April noted that more young families are moving downtown, yet there are no spaces to recreate – is the lawn in back of the Library available or a play space with equipment that is useful for young children and older youth? Pam clarified that Parks is in charge of the space, but she has suggested removing the unrepairable fountain and putting in a playground. Some open space is needed for events such as the Craft Fair and Summer Reading Recognition Ceremony. It was also noted the space is not currently ADA accessible.

Action items for next meeting: Whatcom READS!

Executive Session: The board moved into Executive Session at 5:42 p.m. to review the performance of a public employee [RCW 42.30.110(g)]

The Board of Trustees adjourned the Executive Session and returned to open session at 6:02 p.m.:

The Trustees respectfully but very reluctantly accepted Pam Kiesner’s notice of retirement, effective January 3, 2017. J. Gordon, Chair appointed a small hiring committee made up of himself and Rick Osen, who will lead the committee. The trustees recommend working with a Human Resources Consultant to conduct a search, and they further recommend possibly hiring an Interim Director for up to 18 months, at which time a search for a permanent director will take place. In addition, the Board of Trustees recommends that Strategic Planning, which was to commence in 2017, be postponed until 2018. It is hoped that this postponement provides the space and time required for the upcoming 2017 Sustainable Funding Study, including the option of annexation, and for a nationwide Library Director search.

Meeting adjourned at 6:15 p.m.
Next Regular Library Board Meeting – October 18, 2016 at the Fairhaven Branch Library, 1117 12th Street, Fireplace Room – at 3:30 p.m.

A Resolution Commending the Friends of the Bellingham Public Library
During National Friends of Libraries Week
October 16-22, 2016

Whereas, the Friends of the Bellingham Public Library is an all-volunteer non profit organization, dedicated to their mission of supporting and advocating for our library; and

Whereas, the Friends raise money for library needs, sponsor programs for all ages, encourage community support for the library, and support literacy by making free reading materials available and offering inexpensive materials at regular book sales; and,

Whereas, our Friends' long-time support of the Bellingham Public Library is an example of the vital role volunteers play in our community; and

Whereas, our Friends' dedication is a demonstration of their commitment to the library and the library's mission to connect our community with each other and the world, providing opportunities to read, learn, meet and discover; and,

Whereas, our Friends in recent years have funded adult and children's books, summer reading programs, Whatcom READS! and other special events, online language-learning subscriptions and other online services, furnishings and audio visual improvements in library facilities, and much more; and

Whereas, many improvements and enhancements in our library have only been possible because of the support provided by our Friends; and

Whereas, we are joining libraries across the nation in celebrating their strongest and most dedicated supporters -- their Friends organizations -- during National Friends of Libraries Week, October 16-22, 2016.

Now, therefore, be it resolved that the Bellingham Public Library Board of Trustees proclaims October 16-22, 2016, as Friends of Libraries Week in Bellingham, Washington, and urges everyone to join in thanking them for all they do for our community.

Passed by Library Board action this 18th day of October, 2016.

Story Time in the Northwest

Celebration of Vicky Marshall's love of stories
Featuring artist Ben Mann

Saturday October 22, 10:00 a.m. to 12:00 p.m., Lecture Room at the Central Library

Join us to celebrate National Friends of the Library Week and honor the life and legacy of long-time Friend Vicky Marshall at this special Saturday morning celebration.

Guest artist Ben Mann will be on hand to unveil his Storytime in the Northwest, a painting that was commissioned by the Friends of the Bellingham Public Library in memory of Vicky Marshall.

"I was so honored to be asked to create something visual for the legacy of literacy that Vicky left," Mann said. "I've heard stories of her commitment to children that have certainly painted a wonderful portrait of the woman that she was."

Vicky's love of stories and of helping children become readers, and her devotion to community service, were well-known throughout the Bellingham community; her presence, contributions and kindness were treasures that are missed by all since her passing in June 2015.

The morning celebration also will include light refreshments, a guest storyteller and the presentation of a proclamation honoring the Friends of the Bellingham Public Library from the library Board of Trustees.

For more information, contact Janice Keller, Bellingham Public Library, 360-778-7206 or jkeller@cob.org.
City of Bellingham
Library Department

2015-2016 Accomplishments

- Restored 8 total branch hours in 2015 and again in 2016.
- Began purchasing most library materials pre-processed/pre-cataloged - "shelf ready"
- Initiated our "website refresh" project funded by the Friends of the Library
- Created a single point of service on the Central Library's main floor

2017-2018 Work Plan

The mission of the Bellingham Public Library is connecting our community with each other and the world to read, learn, meet and discover.

- **Read**: Inspire Bellingham to read, view and listen.
- **Learn**: Promote lifelong learning from birth through adulthood.

READ THE BOOK - JOIN THE CONVERSATION

Whatcom READS! is a county-wide program that encourages everyone to read and discuss the same book. Whatcom READS! is organized by the public and academic libraries of Bellingham and Whatcom County and our community partner, Village Books, with funding from the Friends of the Bellingham Public Library and the Whatcom County Library Foundation.
Whatcom READS! 2017

Art Challenge

1. Read the book

2. Create art

3. Exhibit your art!

Whatcom READS! 2017 joins with Allied Arts of Whatcom County to sponsor an art challenge inspired by The Revised Fundamentals of Caregiving, a moving, big-hearted novel by author Jonathan Evison. It is a story about forgiveness, especially about forgiving oneself, and we invite artists to consider the many facets of forgiveness in their submitted works. Art submitted will be displayed at Allied Arts Gallery in March 2017.

The Revised Fundamentals of Caregiving is available in print, eBook & audiobook at your local library or at Allied Arts or Village Books. For more information visit: www.whatcomreads.org or www.alliedarts.org
INTERLOCAL AGREEMENT
BELLINGHAM PUBLIC LIBRARY –
BELLINGHAM TECHNICAL COLLEGE LIBRARY
ESTABLISHMENT AND MAINTENANCE OF THE BTC CONNECTION

This Interlocal Agreement is entered into by the BELLINGHAM PUBLIC LIBRARY ("BPL") and BELLINGHAM TECHNICAL COLLEGE LIBRARY, ("BTC") pursuant to RCW 39.34 to address the establishment and maintenance of a BPL holds pickup location at BTC ("BTC Connection").

I. Purpose. BPL and BTC intend to increase access to public library materials for students, staff, and community members by providing a BPL holds pickup location at BTC called the BTC Connection.

II. Term. This Interlocal Agreement will be in effect for the period of January 1, 2017, through December 31, 2017, both dates inclusive. This will be considered an annual agreement to be reviewed and agreed upon at the end of each calendar year for the following year.

III. Responsibilities. BPL will be responsible for the installation and maintenance of a self-checkout workstation located at BTC. BPL will deliver public library holds to BTC on a weekly basis, and pick up any expired holds or returned public library items to bring back to BTC. BPL will provide signage and handouts regarding the BTC Connection. BPL will notify the public about any changes in service.

BTC will provide space within the Bellingham Technical College Library for the BTC Connection self-checkout workstation and will provide a holds cart or holds shelving. BTC will provide electricity and data connections to operate the self-checkout workstation. BTC will allow public library patrons to use the staff telephone to call BPL with any questions. BTC will collect public library materials from its various book returns and drop boxes and place them in crates for BPL staff to pick up.

IV. Ownership. BPL will retain ownership of the self-checkout workstation, barcode scanner, and receipt printer, as well as any crates for transporting library materials and the library materials themselves. BTC will retain ownership of the telephone and holds cart or holds shelving.

V. Reimbursement Generally. It is agreed that neither BPL nor BTC will seek reimbursement for services rendered under this agreement.
VI. **Status of Employees.** BPL or BTC employees providing services to the other Library remain employees of their respective Library for all purposes, including salary, benefits and worker's compensation.

VII. **Termination.** This Interlocal Agreement may be terminated by either party giving the other 60 days written notice of the intended termination.

VIII. **Liaison.** BPL’s liaison for carrying out this Interlocal Agreement, and the person responsible for administering it will be its Library Director. BTC’s liaison is its Library Director.
