

DIRECTOR'S REPORT

March 2009

Director's Report and Highlights March 17, 2009

Pamela Nyberg O'Kiesner, Director
Bellingham, Washington

Top o' the Day to

Some highlights of the Library Board meeting agenda:

Financial report

Our Bellingham Public Library Fund at the Whatcom Community Foundation has not been immune to the current economy. In your packet is our fund report for July 1 – December 31 2008.

Trustee education

Staff members Madeline Sheplor and Bethany Hoglund will walk you through our new library website, and show you how the online meeting room reservations program works.

New Central Library – site review

Faye, Vicky, and I will have a report for you of a brief meeting we had on March 12.

Fairhaven Branch

We will provide a progress report on the repair and renovations project.

User survey

Nearly 3,000 people took the time to fill out a library survey either online or in person during February! We will have preliminary results available for your Board meeting, and will discuss possible actions to take in response to those results.

Looking forward to seeing you on Tuesday!
