IX. RELATIONSHIP OF THE PARTIES; SUBCONTRACTING.

- A. The Consultant warrants that it has not employed or retained any company or person, other than a bona fide employee working solely for the Consultant, to solicit or secure this Agreement; and that it has not paid or agreed to pay any company or person, other than a bona fide employee working solely for the Consultant, any fee, commission, percentage, gift or any other consideration contingent upon or resulting from the award or making of this Agreement. - B. During the term of this Agreement, the Consultant shall not engage, on a full-time, part-time, or other basis, any professional or technical personnel who are, or have been at any time during the term of this Agreement, in the employ of the City (except regularly retired employees) without written consent of the City.

- C. This Agreement is for the performance of professional services. The parties intend that the Consultant shall be an independent contractor in the performance of services rendered pursuant hereto. To this end, Consultant represents that it is customarily in the business of providing the services described in this Agreement, has its own place of business, is eligible for and does file with the Internal Revenue Service a schedule of business expenses, has established or will timely establish an account with the State Department of Revenue and has received a unified business identifier number, and maintains a separate set of books and records for such business.

- D. Any and all employees of the Consultant while engaged in the performance of any work or services required by the Consultant under this Agreement shall be considered employees of the Consultant only and not of the City. Any and all claims that may or might arise under the Workers Compensation Act on behalf of said employees while so engaged on any of the work or services to be rendered herein shall be the sole obligation and responsibility of the Consultant.

- E. None of the services covered by this Agreement shall be subcontracted by the Consultant without the prior written consent of the City, executed by its Project Manager. The Consultant shall be as fully responsible to the City for the acts and omissions of its subcontractors, and of persons either directly or indirectly employed by them, as it is for the acts and omissions of persons directly employed by it. The Consultant shall insert in each subcontract appropriate provisions requiring compliance with the provisions of this Agreement, and subcontractors shall be deemed to be bound by all the terms hereof.

X. CONFLICT OF INTEREST.

- A. Consultant covenants that it presently has no pecuniary or proprietary interest and shall not acquire any such interests, direct or indirect, which conflicts in any manner or degree with the performance of services required to be

performed under this Agreement. The Consultant further covenants that in the performance of this Agreement no person or subcontractor having such interest shall be employed.

- B. In the event of litigation to enforce or interpret the terms of this Agreement, the prevailing party shall be entitled to reasonable attorneys' fees and costs.
- C. This Agreement and all provisions hereof shall be interpreted in accordance with the laws of the State of Washington in effect on the date of execution of this Agreement. The Superior Court of Whatcom County, Washington, shall have exclusive jurisdiction and venue over any legal action arising under this Agreement without recourse to any principle of Conflicts of Laws.

XII. TERMINATION.

- A. In the event of the death of a member, partner, or officer of the Consultant, or any of its supervisory personnel assigned to the Project, the surviving members of the Consultant hereby agree to complete the work under the terms of this Agreement if requested to do so by the City in its sole discretion.

- B. In the event that funding is withdrawn, reduced or limited in any way after the effective date of this Agreement due to City budgetary constraints, and prior to its normal completion, the City may summarily terminate this Agreement as to the funds withdrawn, reduced or limited notwithstanding any other termination provisions of this Agreement. If the level of funding withdrawn, reduced or limited is so great that the City deems that the continuation of the services covered by this Agreement is no longer in the best interest of the City, the City may summarily terminate this Agreement in whole notwithstanding any other termination provision of this Agreement. Termination under this Section shall be effective upon receipt of written notice thereof. Nothing herein prevents Consultant from being paid sums, duly documented, for work performed prior to termination.

- C. Should either party hereto believe that the other has failed to substantially perform all or a material part of its obligations under the Agreement, it shall deliver written notice to that effect to the other, specifying the alleged default and giving the other party fifteen (15) days to cure such default. Thereafter, should the default not be remedied to the satisfaction of the non-defaulting party, this Agreement may be terminated upon seven (7) days written notice (delivered by certified mail). In the event of termination under this subparagraph, the Consultant shall be paid an amount, in the discretion of the Project Manager, which takes into account actual costs incurred by the Consultant in performing the Project work to the date of termination, the amount of work originally required which was satisfactorily completed to the date of termination, the cost to the City of completing the work itself or of employing another firm to complete it and the inconvenience and time which may be required to do so, along with any other factors which affect the value

to the City of the Project work which has been performed to the date of termination. In no event shall the Consultant receive an amount based on anticipated profit on unperformed services or other work.

- D. Upon receipt of a termination notice, the Consultant shall promptly discontinue all services affected unless the notice directs otherwise, and shall promptly deliver or otherwise make available to the City all data, drawings, specifications, calculations, reports, estimates, summaries, and such other information and materials as the Consultant or its subconsultants may have accumulated in performing this Agreement, whether completed or in progress, and shall also make available all equipment and/or materials purchased specifically for the Project where the City has reimbursed the Consultant therefor. The City may thereafter, at its sole option, take over the work and prosecute the same to completion by whatever means it chooses. Consultant shall have the right, during the termination notice period, to complete such analyses and records as necessary to place its files in order and, when necessary for protection of its professional reputation, to produce a report of services completed to the date of termination.
- E. Termination of this Agreement shall not prevent the City from invoking those provisions herein necessary to protect or enforce its rights hereunder, which provisions shall survive termination.

XIII. LEGAL RELATIONS AND INSURANCE.

- A. The Consultant shall comply, and shall ensure its subconsultants comply, with all City ordinances and resolutions, and federal and state grant agreements and local laws, regulations and ordinances applicable to the work and services to be performed under this Agreement.
- B. The Consultant shall defend, indemnify and hold harmless the City, its officers, employees, principals and agents from any and all injury or damage to the City

or its property, and also from all claims, demands, causes of action, or suits of any kind that arise directly or indirectly out of, incident to, or due to any actual or alleged negligence, intentional tort, or breach of duty by the Consultant, its agents, employees, representatives or subcontractors in performing work and services under this Agreement, except for injuries and damages caused by the sole negligence of the City.

- C. In the event any claim, suits, or actions result from the concurrent negligence of (a) the City or the City's agents or employees and (b) the Consultant or the Consultant's agents or employees, the defense and indemnity provisions in the preceding paragraph of this section shall be valid and enforceable only to the extent of the Consultant's negligence or the negligence of its agents and employees.
- D. The Consultant specifically agrees to defend and indemnify the City from claims or suits brought by Consultant's own employees against the City. For this purpose, Consultant specifically and expressly waives any immunity that may be granted it under the Washington State Industrial Insurance Act, Title 51 RCW. Further, the indemnification obligation under this Agreement shall not be limited in any way by any limitation on benefits payable to or for any third party under the workers' compensation acts. This waiver has been mutually negotiated by the parties.
- E. The City's rights and remedies in this Agreement are in addition to any other rights and remedies provided by law.
- F. Prior to execution of the Agreement, the Consultant shall file with the City appropriate evidence of insurance from insurer(s) certifying to the coverage of all insurance required herein and which will be subject to approval by the City. In the event that the Consultant is unable, through no fault or neglect, to maintain such insurance, the City shall have the right to terminate the Agreement pursuant to paragraph XII after giving the Consultant a reasonable

opportunity to find alternate insurance coverage acceptable to the City. All insurance policies shall be endorsed to require the insurer to provide thirty days' notice of cancellation.

- G. The Consultant shall require that all subcontractors obtain and maintain comprehensive general liability, professional liability and workers compensation insurance appropriate and applicable to the scope of work and services to be performed by such subconsultants. It shall be the responsibility of the Consultant to initially determine the appropriate and applicable insurance coverage, which will be submitted to the City for approval. The Consultant shall furnish to the City insurance certificates for all subcontractors.
- H. The Consultant shall obtain and maintain the minimum limits of liability insurance set forth below. By requiring such minimum limits, the City shall not be deemed to have assessed the risks which may be applicable to the Consultant under this Agreement. The Consultant shall assess its own risks and, if it deems it appropriate and prudent, maintain greater limits. The insurance of the Consultant shall be primary and non-contributory with any insurance for which the City is a named insured. The City and its officials and employees shall be named as additional insureds on all liability insurance policies (together with the required endorsement), except professional liability insurance. Said insurance shall apply separately to each insured against whom claim is made or suit is brought, except with respect to the limits of the insurer's liability. Such policies shall provide the coverage required as follows for any and all occurrences arising out of the Consultant's performance under this Agreement:
1. Broad form Commercial General Liability, affording limits of liability of \$1,000,000.00 per occurrence for bodily injury, personal injury, and property damage and \$2,000,000.00 in the aggregate.

2. Automobile liability affording limits of liability of \$1,000,000.00 as a combined single limit per accident for bodily injury and property damage.
3. Professional liability insurance, affording limits of liability of \$1,000,000.00 in the aggregate covering all professional activities performed under this Agreement. If the insurance maintained by the Consultant is maintained on a "claims made" basis rather than an occurrence basis, said insurance shall be continued by the Consultant until at least five years after the date of the completion of the Project.
4. Workers Compensation coverage as required by the laws of the State of Washington.

Except with regard to Professional Liability Insurance and Workers Compensation coverage, all insurance coverages required under this Agreement shall include a waiver of subrogation against the City for losses arising from work performed by the Consultant.

XIV. ASSIGNMENT. The Consultant shall not sublet or assign any of the work covered by this Agreement without the prior, express written consent of the City.

XV. ENDORSEMENT ON PLANS. If this Agreement involves design for a construction project, the Consultant shall place the endorsement of a licensed engineer or architect on all plans, specifications, estimates or any other design data Consultant furnishes. In any event, all materials prepared by the Consultant hereunder are property of the City, and Consultant retains no right of ownership or copyright therein.

XVI. EQUAL EMPLOYMENT OPPORTUNITY RESPONSIBILITIES: The Consultant agrees that it will comply with all State and local non-discrimination laws and regulations in effect at the time this Agreement is executed. The Consultant shall comply with all Federal non-discrimination laws and regulations if any of this Agreement is financed with Federal funds.

- XVII. COMPLIANCE WITH LOCAL LAWS:** The Consultant shall be duly licensed (including Business Registration with the City of Bellingham) and shall comply with all applicable laws, ordinances, and codes of the State and local governments.
- XVIII. COVID-19 VACCINATION REQUIREMENTS.** In accordance with City of Bellingham's [Executive Order #2021-02](#), all on-site indoor Contractors/Consultants are required as of December 3, 2021, to be fully vaccinated against the COVID-19 virus. If any work identified within the City's scope of work requires or becomes necessary to be performed on-site indoor by a Contractor/Consultant, this requirement will be effective and subject to verification by the City. Contractor/Consultant will be required to verify the vaccination status of its employees, subcontractors and their employees using a Contractor/Consultant Vaccination Verification Form. See Exhibit "C" attached hereto.
- XIX. EFFECT OF ACCEPTANCE OF THE WORK.** Approval of plans, specifications or other documents shall not constitute nor be deemed a release of the responsibility of the Consultant, its employees, subcontractors, or agents for the accuracy and competency of their work, nor shall such approval be deemed to be an assumption of such responsibility by the City for any defect in the work prepared by the Consultant, its employees, subcontractors, or agents.
- XX. ACCOUNTING AND AUDIT:** The Consultant agrees to keep records of all financial matters pertaining to this Agreement in accordance with generally accepted accounting principles. The financial records shall be made available to representatives of the City or any other governmental agency with jurisdiction for audit, at such reasonable times and places as the City shall designate.

Work Plan Outline

Godfrey's Associates, Inc. Library Planners & Consultants has compiled a chronological list of groups of tasks that comprise an outline of our proposed Work Plan for your project. In addition to the minimum City-required tasks outlined in your RFP, Godfrey's has identified two Task Groupings (numbers 1 and 2, below) we believe are necessary to complete the 10-year Facilities Master Plan, numbered throughout our Proposal as follows:

- 1 **Ongoing Project Management.** Identify and execute project orientation, organization, and communication parameters and activities spanning the project duration, as required to complete the final Facilities Master Plan report. Tasks this group includes are:
 - Regularly scheduled project status meetings.
 - Monthly progress reports with interim deliverables.
 - Monthly invoices substantiated by each monthly progress report.
- 2 **Data Collection & Analysis.** Collect and evaluate historic usage data for the Bellingham Public Library and demographics of the City of Bellingham as they impact the Facilities Master Planning process. This group includes:
 - Historic Library usage statistics.
 - 20-year population projections.
 - Detailed demographic reports for each library service outlet & city-wide.
- 3 **Trends Analysis.** Consider and evaluate national trends and best practices as they relate to Bellingham Public Library and City of Bellingham planning needs and incorporate this broader lens in final Facilities Master Plan report. This group includes:
 - A survey of current and emerging trends in libraries.
 - Benchmarking BPL against peer library systems.
- 4 **Library Facility Assessment.** Complete an assessment of all Library facilities, including dedicated public library space at the three college locations. Review space utilization, configuration, physical arrangement, and suitability for Library services. Make recommendations for optimal space utilization, location, and adjacencies of functional public and non-public areas. This group includes:
 - A functionality assessment of each facility.
 - Projections of current and future space needs contrasted against existing facility capacities.
 - Drive-time service area mapping to gauge current location convenience.

- 5 **Stakeholder/Community Involvement.** Develop and implement a community involvement process to engage a broad range of stakeholders in assessing current facilities and future community needs. This task group includes several methods for gathering input, ranging from:
 - Open forums for groups of people.
 - To invitational forums for groups and individuals.
 - 6 **Future Footprint Assessment.** Assess and make recommendations as to the appropriate size and location of the Central Library and branches within current service area, accounting for forecasted population growth and City of Bellingham urban growth areas. This group can utilize local GIS resources and requires:
 - Identification of whether additional facilities are needed, recommended size and type of facilities, and in what areas they should be located.
 - Identification of potential locations for additional stand-alone community Drop Boxes.
 - Identification of the cost to operate alternative options, as operational costs may be the most important determinant.
 - 7 **Facility Recommendations.** Provide recommendations for prioritizing into actionable steps any renovations to the current facilities which are suggested over the 10-year span of the Facilities Master Plan. This group includes:
 - Identification of capital cost to implement.
 - Identification of available funds.
 - Prioritization of improvements by optimizing value for cost.
 - 8 **First Draft Master Plan.** Preparation of written draft Facilities Master Plan and communication method (presentation) with Library for review and direction. This group includes:
 - On-site review with staff.
 - Refinements based on feedback.
 - 9 **Resources.** Provide the City with electronic copies of any data, presentations, and reports developed as part of the project.
 - 10 **Final Plan.** Preparation of final written Facilities Master Plan, and presentation to the Library Board of Trustees and City Council at an upcoming, regularly scheduled meeting.
- A Timeline for completing these Task Groupings follows.

- Sequence and duration of Task Groupings.
- Timing of progress conference calls and monthly progress reports.
- Timing of consultant on-site visits.
- Timing of all deliverables and review periods.

For sake of illustration, based on a projected start date on January 3, 2022, Godfrey's is confident we can complete the Scope of Work requested by your RFP and as modified by our team, delivering the Final Master Plan Report presentation to the Library Board and City Council by no later than May 31, 2022.

Proposed Fees & Expenses

Godfrey's proposes an all-inclusive, not-to-exceed, fixed price of \$59,775 in fees and expenses for the activities described in the Work Plan of our Proposal – which is based on the requirements of your RFP. It includes a series of inter-related Task Groupings – all of which we concur are needed to develop your Facilities Master Plan.

In that way, BPL can choose the Tasks you want us to focus more attention upon. In other words, our hours and fees for each Task Group are flexible – by tailoring the Scope of Work you wish us to provide to best meet your needs within the fixed lump sum budget established by contract.

BUSINESS LIABILITY COVERAGE FORM

Various provisions in this policy restrict coverage. Read the entire policy carefully to determine rights, duties and what is and is not covered.

Throughout this policy the words "you" and "your" refer to the Named Insured shown in the Declarations. The words "we", "us" and "our" refer to the stock insurance company member of The Hartford providing this insurance.

The word "insured" means any person or organization qualifying as such under Section C. - Who Is An Insured.

Other words and phrases that appear in quotation marks have special meaning. Refer to Section G. - Liability And Medical Expenses Definitions.

A. COVERAGES

1. BUSINESS LIABILITY COVERAGE (BODILY INJURY, PROPERTY DAMAGE, PERSONAL AND ADVERTISING INJURY)

Insuring Agreement

- a. We will pay those sums that the insured becomes legally obligated to pay as damages because of "bodily injury", "property damage" or "personal and advertising injury" to which this insurance applies. We will have the right and duty to defend the insured against any "suit" seeking those damages. However, we will have no duty to defend the insured against any "suit" seeking damages for "bodily injury", "property damage" or "personal and advertising injury" to which this insurance does not apply.

We may, at our discretion, investigate any "occurrence" or offense and settle any claim or "suit" that may result. But:

- (1) The amount we will pay for damages is limited as described in Section D. - Liability And Medical Expenses Limits Of Insurance; and
- (2) Our right and duty to defend ends when we have used up the applicable limit of insurance in the payment of judgments, settlements or medical expenses to which this insurance applies.

No other obligation or liability to pay sums or perform acts or services is covered unless explicitly provided for under Coverage Extension - Supplementary Payments.

- b. This insurance applies:

- (1) To "bodily injury" and "property damage" only if:

- (a) The "bodily injury" or "property damage" is caused by an "occurrence" that takes place in the "coverage territory";
 - (b) The "bodily injury" or "property damage" occurs during the policy period; and
 - (c) Prior to the policy period, no insured listed under Paragraph 1. of Section C. - Who Is An Insured and no "employee" authorized by you to give or receive notice of an "occurrence" or claim, knew that the "bodily injury" or "property damage" had occurred, in whole or in part. If such a listed insured or authorized "employee" knew, prior to the policy period, that the "bodily injury" or "property damage" occurred, then any continuation, change or resumption of such "bodily injury" or "property damage" during or after the policy period will be deemed to have been known prior to the policy period.
- (2) To "personal and advertising injury" caused by an offense arising out of your business, but only if the offense was committed in the "coverage territory" during the policy period.
- c. "Bodily injury" or "property damage" will be deemed to have been known to have occurred at the earliest time when any insured listed under Paragraph 1. of Section C. - Who Is An Insured or any "employee" authorized by you to give or receive notice of an "occurrence" or claim:
- (1) Reports all, or any part, of the "bodily injury" or "property damage" to us or any other insurer;

BUSINESS LIABILITY COVERAGE FORM

- (2) Receives a written or verbal demand or claim for damages because of the "bodily injury" or "property damage"; or
 - (3) Becomes aware by any other means that "bodily injury" or "property damage" has occurred or has begun to occur.
- d. Damages because of "bodily injury" include damages claimed by any person or organization for care, loss of services or death resulting at any time from the "bodily injury".

e. Incidental Medical Malpractice

- (1) "Bodily injury" arising out of the rendering of or failure to render professional health care services as a physician, dentist, nurse, emergency medical technician or paramedic shall be deemed to be caused by an "occurrence", but only if:
 - (a) The physician, dentist, nurse, emergency medical technician or paramedic is employed by you to provide such services; and
 - (b) You are not engaged in the business or occupation of providing such services.
- (2) For the purpose of determining the limits of insurance for incidental medical malpractice, any act or omission together with all related acts or omissions in the furnishing of these services to any one person will be considered one "occurrence".

2. MEDICAL EXPENSES

Insuring Agreement

- a. We will pay medical expenses as described below for "bodily injury" caused by an accident:
- (1) On premises you own or rent;
 - (2) On ways next to premises you own or rent; or
 - (3) Because of your operations;
- provided that:
- (1) The accident takes place in the "coverage territory" and during the policy period;
 - (2) The expenses are incurred and reported to us within three years of the date of the accident; and
 - (3) The injured person submits to examination, at our expense, by physicians of our choice as often as we reasonably require.

- b. We will make these payments regardless of fault. These payments will not exceed the applicable limit of insurance. We will pay reasonable expenses for:

- (1) First aid administered at the time of an accident;
- (2) Necessary medical, surgical, x-ray and dental services, including prosthetic devices; and
- (3) Necessary ambulance, hospital, professional nursing and funeral services.

3. COVERAGE EXTENSION - SUPPLEMENTARY PAYMENTS

- a. We will pay, with respect to any claim or "suit" we investigate or settle, or any "suit" against an insured we defend:
- (1) All expenses we incur.
 - (2) Up to \$1,000 for the cost of bail bonds required because of accidents or traffic law violations arising out of the use of any vehicle to which Business Liability Coverage for "bodily injury" applies. We do not have to furnish these bonds.
 - (3) The cost of appeal bonds or bonds to release attachments, but only for bond amounts within the applicable limit of insurance. We do not have to furnish these bonds.
 - (4) All reasonable expenses incurred by the insured at our request to assist us in the investigation or defense of the claim or "suit", including actual loss of earnings up to \$500 a day because of time off from work.
 - (5) All costs taxed against the insured in the "suit".
 - (6) Prejudgment interest awarded against the insured on that part of the judgment we pay. If we make an offer to pay the applicable limit of insurance, we will not pay any prejudgment interest based on that period of time after the offer.
 - (7) All interest on the full amount of any judgment that accrues after entry of the judgment and before we have paid, offered to pay, or deposited in court the part of the judgment that is within the applicable limit of insurance.
- Any amounts paid under (1) through (7) above will not reduce the limits of insurance.

BUSINESS LIABILITY COVERAGE FORM

b. If we defend an insured against a "suit" and an indemnitee of the insured is also named as a party to the "suit", we will defend that indemnitee if all of the following conditions are met:

- (1) The "suit" against the indemnitee seeks damages for which the insured has assumed the liability of the indemnitee in a contract or agreement that is an "insured contract";
- (2) This insurance applies to such liability assumed by the insured;
- (3) The obligation to defend, or the cost of the defense of, that indemnitee, has also been assumed by the insured in the same "insured contract";
- (4) The allegations in the "suit" and the information we know about the "occurrence" are such that no conflict appears to exist between the interests of the insured and the interest of the indemnitee;
- (5) The indemnitee and the insured ask us to conduct and control the defense of that indemnitee against such "suit" and agree that we can assign the same counsel to defend the insured and the indemnitee; and
- (6) The indemnitee:
 - (a) Agrees in writing to:
 - (i) Cooperate with us in the investigation, settlement or defense of the "suit";
 - (ii) Immediately send us copies of any demands, notices, summonses or legal papers received in connection with the "suit";
 - (iii) Notify any other insurer whose coverage is available to the indemnitee; and
 - (iv) Cooperate with us with respect to coordinating other applicable insurance available to the indemnitee; and
 - (b) Provides us with written authorization to:
 - (i) Obtain records and other information related to the "suit"; and
 - (ii) Conduct and control the defense of the indemnitee in such "suit".

So long as the above conditions are met, attorneys' fees incurred by us in the defense of that indemnitee, necessary litigation expenses incurred by us and necessary litigation expenses incurred by the indemnitee at our request will be paid as Supplementary Payments.

Notwithstanding the provisions of Paragraph 1.b.(b) of Section B. – Exclusions, such payments will not be deemed to be damages for "bodily injury" and "property damage" and will not reduce the Limits of Insurance.

Our obligation to defend an insured's indemnitee and to pay for attorneys' fees and necessary litigation expenses as Supplementary Payments ends when:

- (1) We have used up the applicable limit of insurance in the payment of judgments or settlements; or
- (2) The conditions set forth above, or the terms of the agreement described in Paragraph (6) above, are no longer met.

- (i) Liability to such party for, or for the cost of, that party's defense has also been assumed in the same "insured contract", and
- (ii) Such attorneys' fees and litigation expenses are for defense of that party against a civil or alternative dispute resolution proceeding in which damages to which this insurance applies are alleged.

- (i) "Bodily injury" if sustained within a building and caused by smoke, fumes, vapor or soot produced by or originating from equipment that is used to heat, cool or dehumidify the building, or equipment that is used to heat water for personal use, by the building's occupants or their guests;

(ii) "Bodily injury" or "property damage" for which you may be held liable, if you are a contractor and the owner or lessee of such premises, site or location has been added to your policy as an additional insured with respect to your ongoing operations performed for that additional insured at that premises, site or location and such premises, site or location is not and never was owned or occupied by, or rented or loaned to, any insured, other than that additional insured; or

This exception does not apply if the "bodily injury" or "property damage" arises out of the intentional discharge, dispersal or release of the fuels, lubricants or other operating fluids, or if such fuels, lubricants or other operating fluids are brought on or to the premises, site or location with the intent that they be discharged, dispersed or released as part of the operations being performed by such insured, contractor or subcontractor;

BUSINESS LIABILITY COVERAGE FORM

The limits of insurance that apply to additional insureds are described in Section D. – Limits Of Insurance.

How this insurance applies when other insurance is available to an additional insured is described in the Other Insurance Condition in Section E. – Liability And Medical Expenses General Conditions.

No person or organization is an insured with respect to the conduct of any current or past partnership, joint venture or limited liability company that is not shown as a Named Insured in the Declarations.

D. LIABILITY AND MEDICAL EXPENSES LIMITS OF INSURANCE

1. The Most We Will Pay

The Limits of Insurance shown in the Declarations and the rules below fix the most we will pay regardless of the number of:

- a. Insureds;
- b. Claims made or "suits" brought; or
- c. Persons or organizations making claims or bringing "suits".

2. Aggregate Limits

The most we will pay for:

- a. Damages because of "bodily injury" and "property damage" included in the "products-completed operations hazard" is the Products-Completed Operations Aggregate Limit shown in the Declarations.
- b. Damages because of all other "bodily injury", "property damage" or "personal and advertising injury", including medical expenses, is the General Aggregate Limit shown in the Declarations.

This General Aggregate Limit applies separately to each of your "locations" owned by or rented to you.

"Location" means premises involving the same or connecting lots, or premises whose connection is interrupted only by a street, roadway or right-of-way of a railroad.

This General Aggregate limit does not apply to "property damage" to premises while rented to you or temporarily occupied by you with permission of the owner, arising out of fire, lightning or explosion.

3. Each Occurrence Limit

Subject to 2.a. or 2.b. above, whichever applies, the most we will pay for the sum of all damages because of all "bodily injury", "property damage" and medical expenses arising out of any one "occurrence" is the Liability and Medical Expenses Limit shown in the Declarations.

The most we will pay for all medical expenses because of "bodily injury" sustained by any one person is the Medical Expenses Limit shown in the Declarations.

4. Personal And Advertising Injury Limit

Subject to 2.b. above, the most we will pay for the sum of all damages because of all "personal and advertising injury" sustained by any one person or organization is the Personal and Advertising Injury Limit shown in the Declarations.

5. Damage To Premises Rented To You Limit

The Damage To Premises Rented To You Limit is the most we will pay under Business Liability Coverage for damages because of "property damage" to any one premises, while rented to you, or in the case of damage by fire, lightning or explosion, while rented to you or temporarily occupied by you with permission of the owner.

In the case of damage by fire, lightning or explosion, the Damage to Premises Rented To You Limit applies to all damage proximately caused by the same event, whether such damage results from fire, lightning or explosion or any combination of these.

6. How Limits Apply To Additional Insureds

The most we will pay on behalf of a person or organization who is an additional insured under this Coverage Part is the lesser of:

- a. The limits of insurance specified in a written contract, written agreement or permit issued by a state or political subdivision; or
- b. The Limits of Insurance shown in the Declarations.

Such amount shall be a part of and not in addition to the Limits of Insurance shown in the Declarations and described in this Section.

BUSINESS LIABILITY COVERAGE FORM

If more than one limit of insurance under this policy and any endorsements attached thereto applies to any claim or "suit", the most we will pay under this policy and the endorsements is the single highest limit of liability of all coverages applicable to such claim or "suit". However, this paragraph does not apply to the Medical Expenses limit set forth in Paragraph 3. above.

The Limits of Insurance of this Coverage Part apply separately to each consecutive annual period and to any remaining period of less than 12 months, starting with the beginning of the policy period shown in the Declarations, unless the policy period is extended after issuance for an additional period of less than 12 months. In that case, the additional period will be deemed part of the last preceding period for purposes of determining the Limits of Insurance.

E. LIABILITY AND MEDICAL EXPENSES GENERAL CONDITIONS

1. Bankruptcy

Bankruptcy or insolvency of the insured or of the insured's estate will not relieve us of our obligations under this Coverage Part.

2. Duties In The Event Of Occurrence, Offense, Claim Or Suit

a. Notice Of Occurrence Or Offense

You or any additional insured must see to it that we are notified as soon as practicable of an "occurrence" or an offense which may result in a claim. To the extent possible, notice should include:

- (1) How, when and where the "occurrence" or offense took place;
- (2) The names and addresses of any injured persons and witnesses; and
- (3) The nature and location of any injury or damage arising out of the "occurrence" or offense.

b. Notice Of Claim

If a claim is made or "suit" is brought against any insured, you or any additional insured must:

- (1) Immediately record the specifics of the claim or "suit" and the date received; and
- (2) Notify us as soon as practicable.

You or any additional insured must see to it that we receive a written notice of the claim or "suit" as soon as practicable.

c. Assistance And Cooperation Of The Insured

You and any other involved insured must:

- (1) Immediately send us copies of any demands, notices, summonses or legal papers received in connection with the claim or "suit";
- (2) Authorize us to obtain records and other information;
- (3) Cooperate with us in the investigation, settlement of the claim or defense against the "suit"; and
- (4) Assist us, upon our request, in the enforcement of any right against any person or organization that may be liable to the insured because of injury or damage to which this insurance may also apply.

d. Obligations At The Insured's Own Cost

No insured will, except at that insured's own cost, voluntarily make a payment, assume any obligation, or incur any expense, other than for first aid, without our consent.

e. Additional Insured's Other Insurance

If we cover a claim or "suit" under this Coverage Part that may also be covered by other insurance available to an additional insured, such additional insured must submit such claim or "suit" to the other insurer for defense and indemnity.

However, this provision does not apply to the extent that you have agreed in a written contract, written agreement or permit that this insurance is primary and non-contributory with the additional insured's own insurance.

f. Knowledge Of An Occurrence, Offense, Claim Or Suit

Paragraphs a. and b. apply to you or to any additional insured only when such "occurrence", offense, claim or "suit" is known to:

- (1) You or any additional insured that is an individual;
- (2) Any partner, if you or an additional insured is a partnership;
- (3) Any manager, if you or an additional insured is a limited liability company;
- (4) Any "executive officer" or insurance manager, if you or an additional insured is a corporation;
- (5) Any trustee, if you or an additional insured is a trust; or
- (6) Any elected or appointed official, if you or an additional insured is a political subdivision or public entity.

BUSINESS LIABILITY COVERAGE FORM

This Paragraph f. applies separately to you and any additional insured.

3. Financial Responsibility Laws

- a. When this policy is certified as proof of financial responsibility for the future under the provisions of any motor vehicle financial responsibility law, the insurance provided by the policy for "bodily injury" liability and "property damage" liability will comply with the provisions of the law to the extent of the coverage and limits of insurance required by that law.
- b. With respect to "mobile equipment" to which this insurance applies, we will provide any liability, uninsured motorists, underinsured motorists, no-fault or other coverage required by any motor vehicle law. We will provide the required limits for those coverages.

4. Legal Action Against Us

No person or organization has a right under this Coverage Form:

- a. To join us as a party or otherwise bring us into a "suit" asking for damages from an insured; or
- b. To sue us on this Coverage Form unless all of its terms have been fully complied with.

A person or organization may sue us to recover on an agreed settlement or on a final judgment against an insured; but we will not be liable for damages that are not payable under the terms of this insurance or that are in excess of the applicable limit of insurance. An agreed settlement means a settlement and release of liability signed by us, the insured and the claimant or the claimant's legal representative.

5. Separation Of Insureds

Except with respect to the Limits of Insurance, and any rights or duties specifically assigned in this policy to the first Named Insured, this insurance applies:

- a. As if each Named Insured were the only Named Insured; and
- b. Separately to each insured against whom a claim is made or "suit" is brought.

6. Representations

a. When You Accept This Policy

By accepting this policy, you agree:

- (1) The statements in the Declarations are accurate and complete;
- (2) Those statements are based upon representations you made to us; and

- (3) We have issued this policy in reliance upon your representations.

b. Unintentional Failure To Disclose Hazards

If unintentionally you should fail to disclose all hazards relating to the conduct of your business at the inception date of this Coverage Part, we shall not deny any coverage under this Coverage Part because of such failure.

7. Other Insurance

If other valid and collectible insurance is available for a loss we cover under this Coverage Part, our obligations are limited as follows:

a. Primary Insurance

This insurance is primary except when b. below applies. If other insurance is also primary, we will share with all that other insurance by the method described in c. below.

b. Excess Insurance

This insurance is excess over any of the other insurance, whether primary, excess, contingent or on any other basis:

(1) Your Work

That is Fire, Extended Coverage, Builder's Risk, Installation Risk or similar coverage for "your work";

(2) Premises Rented To You

That is fire, lightning or explosion insurance for premises rented to you or temporarily occupied by you with permission of the owner;

(3) Tenant Liability

That is insurance purchased by you to cover your liability as a tenant for "property damage" to premises rented to you or temporarily occupied by you with permission of the owner;

(4) Aircraft, Auto Or Watercraft

If the loss arises out of the maintenance or use of aircraft, "autos" or watercraft to the extent not subject to Exclusion g. of Section A. – Coverages.

(5) Property Damage To Borrowed Equipment Or Use Of Elevators

If the loss arises out of "property damage" to borrowed equipment or the use of elevators to the extent not subject to Exclusion k. of Section A. – Coverages.

BUSINESS LIABILITY COVERAGE FORM

(6) When You Are Added As An Additional Insured To Other Insurance

That is other insurance available to you covering liability for damages arising out of the premises or operations, or products and completed operations, for which you have been added as an additional insured by that insurance; or

(7) When You Add Others As An Additional Insured To This Insurance

That is other insurance available to an additional insured.

However, the following provisions apply to other insurance available to any person or organization who is an additional insured under this Coverage Part:

(a) Primary Insurance When Required By Contract

This insurance is primary if you have agreed in a written contract, written agreement or permit that this insurance be primary. If other insurance is also primary, we will share with all that other insurance by the method described in c. below.

(b) Primary And Non-Contributory To Other Insurance When Required By Contract

If you have agreed in a written contract, written agreement or permit that this insurance is primary and non-contributory with the additional insured's own insurance, this insurance is primary and we will not seek contribution from that other insurance.

Paragraphs (a) and (b) do not apply to other insurance to which the additional insured has been added as an additional insured.

When this insurance is excess, we will have no duty under this Coverage Part to defend the insured against any "suit" if any other insurer has a duty to defend the insured against that "suit". If no other insurer defends, we will undertake to do so, but we will be entitled to the insured's rights against all those other insurers.

When this insurance is excess over other insurance, we will pay only our share of the amount of the loss, if any, that exceeds the sum of:

- (1) The total amount that all such other insurance would pay for the loss in the absence of this insurance; and
- (2) The total of all deductible and self-insured amounts under all that other insurance.

We will share the remaining loss, if any, with any other insurance that is not described in this Excess Insurance provision and was not bought specifically to apply in excess of the Limits of Insurance shown in the Declarations of this Coverage Part.

c. Method Of Sharing

If all the other insurance permits contribution by equal shares, we will follow this method also. Under this approach, each insurer contributes equal amounts until it has paid its applicable limit of insurance or none of the loss remains, whichever comes first.

If any of the other insurance does not permit contribution by equal shares, we will contribute by limits. Under this method, each insurer's share is based on the ratio of its applicable limit of insurance to the total applicable limits of insurance of all insurers.

8. Transfer Of Rights Of Recovery Against Others To Us

a. Transfer Of Rights Of Recovery

If the insured has rights to recover all or part of any payment, including Supplementary Payments, we have made under this Coverage Part, those rights are transferred to us. The insured must do nothing after loss to impair them. At our request, the insured will bring "suit" or transfer those rights to us and help us enforce them. This condition does not apply to Medical Expenses Coverage.

b. Waiver Of Rights Of Recovery (Waiver Of Subrogation)

If the insured has waived any rights of recovery against any person or organization for all or part of any payment, including Supplementary Payments, we have made under this Coverage Part, we also waive that right, provided the insured waived their rights of recovery against such person or organization in a contract, agreement or permit that was executed prior to the injury or damage.

BUSINESS LIABILITY COVERAGE FORM

F. OPTIONAL ADDITIONAL INSURED COVERAGES

If listed or shown as applicable in the Declarations, one or more of the following Optional Additional Insured Coverages also apply. When any of these Optional Additional Insured Coverages apply, Paragraph 6.
